comparative literature

Comparative Literature provides a forum for those scholars and critics who are engaged in the study of literature from an international point of view. Its editors define comparative literature in the broadest possible manner, and accept articles dealing with the manifold interrelations of literatures, with the theory of literature, movements, genres, periods, and authors—from the earliest times to the present. *Comparative Literature* particularly welcomes longer studies on comprehensive topics and on problems of literary criticism.

Issued quarterly. Entered as second-class matter, April 5, 1949, at the post office at Eugene, Oregon 97403, under act of August 12, 1912.

The subscription rate is \$4.50 a year. The price of single copies is \$1.25.
